Lifecycle Software Engineering Conference Wednesday

The Lifecycle Software Engineering 2000 Conference will be Wednesday in the Sparkman Center auditorium. Emphasis is on modern real-time systems technology for avionics, missiles and smart weapons, especially to model-based or architecture-based development. For more information and to register, visit the Web at: <http://smaplab.ri.uah.edu/lcse>

Shuttle upgrade presentations, 8 a.m.-noon, Wed., Morris Auditorium

Computer Fair Aug. 25-26, Von Braun Center. See 'Inside Marshall'

Web site offers answers to safety-related questions

Do you have a question related to safety, health or environmental issues? Dr. Know — your encyclopedia for such issues — might be able to help. Submit questions to: http://msfcsma3.msfc.nasa.gov/she/dr_know.htm

History chats begin Friday

The first in a series of history chats to commemorate Marshall's 40th anniversary will be from 11-11:30 a.m. Friday in the Heritage Gallery. Ed Buckbee, former head of the U.S. Space & Rocket Center and assistant to the Marshall Public Affairs Officer from 1961-1968, will speak.

4th AMPET Conference Sept. 18-20. For information, call 544-7553
